Ask members **why they joined:**

1

Relationships that turn into business.

After Hours, ribbon cuttings, the Ambassador program—the rooms where Ardmore decides who to call.

2

Your name, all over town.

Chamber social media, the weekly e-blast and the member directory—at no extra cost.

3

In the know first.

State of the City, candidate forums and lunch-and-learns—members hear it before anyone.

4

A seat at the table.

Legislative luncheons with your representatives. Build the relationship before you need it.

“Half my customers started as handshakes at Chamber events.”
